

Job Description 1.0 FTE Middle School PE & Health Position

ESSENTIAL DUTIES AND RESPONSIBILITIES:

To teach physical education and health to students grades 6-8 and create a well-rounded, comprehensive instructional program. Course load will also include assisting with one, small mid-level grade math class, and may include teaching one elective focused around teacher expertise and interests.

- Model and teach respect with an awareness of diversity.
- Effectively work with and respond to people from diverse cultures or backgrounds.
- Establish clear objectives and create long- and short-range plans for instruction to meet needs, abilities and interests of students.
- Develop and carry out clear, organized lessons and learning activities suitable for students' developmental levels and aligned with instructional objectives.
- Vary and pace classroom strategies to accommodate different learning styles, actively involve students and maximize student engagement in meaningful learning.
- Diagnose the instructional needs of all students and devise appropriate learning activities for each student.
- Use current body of knowledge in cultural diversity issues in teaching and curriculum development to design and adapt individual/group academic and behavior/social programs in all school settings.
- Implement school and state curriculum standards and ensure that instructional activities are clearly related to school/state curriculum standards.
- Assure that every student has ample opportunity to demonstrate proficiency with school and state standards.
- Use a variety of approaches to assess, record and provide feedback promptly and often to students on their progress and assignments.
- Participate in development and implementation of individual student plans (e.g., IEP, 504).
- Assume responsibility for adapting and modifying classroom instruction for students identified as needing specialized instruction.
- Work effectively and collaboratively with diverse student, staff and community populations.
- Work collaboratively with school personnel in meeting diverse social and academic needs of students.
- Establish and maintain open lines of communication with all students and with parents/guardians concerning both academic and behavioral progress of students.
- Assist school staff and administration in implementing all policies and/or rules governing student conduct, reinforce individual school's plan for positive behavior support, develop reasonable rules for classroom behavior and utilize effective, proactive behavior management skills in all school settings.
- Maintain accurate, complete and confidential records as required by law, school policy and administrative regulations.
- Assume responsibility for assigned duties, e.g., hall, lunchroom duty.
- Utilize technology as related to job responsibilities..
- Reflect upon own teaching performance and accept and utilize supervisory suggestions and feedback.
- Take primary responsibility for pursuing and evaluating own professional growth.
- Attend and participate in staff meetings and district inservice meetings.
- Participate in activities that are related to school functions and/or the education process that occur outside the regular workday, in accordance with the contracted agreement.
- Perform other duties as assigned.

GENERAL PERFORMANCE REQUIREMENTS:

- Perform duties in a courteous and efficient manner that builds the confidence of staff, students and the public.
- Maintain regular attendance at work and work activities, and be punctual in meeting deadlines, attending meetings, and following schedule.
- Observe laws, school policies and procedures, and professional standards for this position.
- Work effectively and collaboratively with diverse student, parent and community populations.
- Carry out work responsibilities with strong organizational skills, effectively under pressure of deadlines, difficult situations, interruptions, and new or emergency conditions.
- Respect confidential information and the privacy of students, staff and parents.

- Collect, record, store, retrieve, assimilate, organize and utilize information and records electronically and by using traditional methods.
- Develop job skills necessary to meet changes in the position.
- Maintain personal appearance and hygiene appropriate to the position as defined by the school.
- Meet applicable school physical ability/health and safety guidelines for the position.

MINIMUM QUALIFICATIONS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Valid Oregon teacher's license with Health and Physical Education endorsements, **OR** be able to secure both endorsements. Some financial assistance would be provided.
- Understanding of human growth and development patterns, learning theory and brain research.
- Content knowledge in subject areas taught.
- Familiarity with a variety of age appropriate instructional, assessment and classroom management strategies that reflect current research on best practices.
- Familiarity with state standards and curriculum frameworks for high school levels.
- Knowledge and experience with differentiated instruction.
- Effective oral and written communication skills.
- Knowledge of state and federal education laws and of student and staff rights.
- Ability to exhibit professionalism and effective human relations.
- Ability to effectively manage and supervise students and their work.
- Standard First Aid certification
